## The Premier Java Event of 2010

SpringSource and No Fluff Just Stuff Symposium Series are pleased to present SpringOne 2GX.

SpringOne 2GX will include a technical exploration of the Spring ecosystem along with the latest developments in the Groovy/Grails space. As a participant, you will have the opportunity to attend two great events at one venue. Whether you're a Spring enthusiast, Tomcat user, Groovy/Grails fan, or just interested in open source development, you'll find valuable content in sessions presented here.

This year's event will be held at [The Westin Lombard Yorktown Center](#) in Chicago.
